

MEDICAL

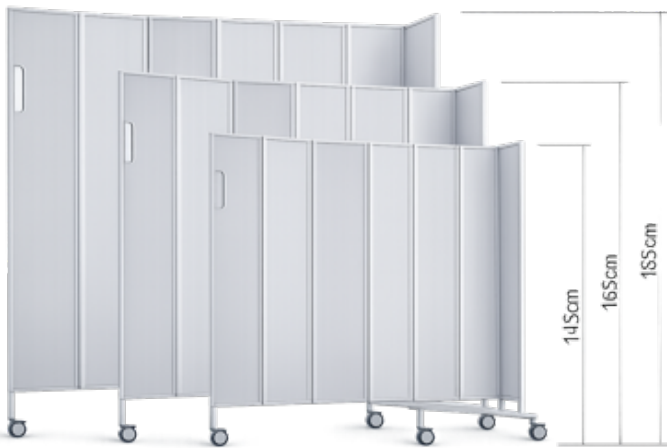

ALU SCREEN 1518

Ref. YZSC1518

The Meditroll medical screen is made of aluminum alloy and A+ antibacterial panels. It is designed for use in hospital rooms, providing environmental protection, safety, and privacy. It offers resistance to contamination, space optimization, and high hygiene standards, making it a functional and durable solution for clinical environments.

Features:

- Lightweight aluminum structure.
- Antimicrobial panels.
- Corrosion-resistant.
- Dirt-resistant.
- Scratch-resistant.
- Easy to clean and disinfect.
- Silent 7.5 cm wheels.
- Integrated handle on the panel.
- Durable construction.
- Easy assembly.
- Total extended length: 210 cm.
- Height: 185 cm.
- Number of panels: 8.
- Color: White.
- Custom sizes and colors available.
